

# In Memory of Tressel Meinardi

Attention! Collecting  
NEW or GENTLY USED  
Children's books during  
Hancock County 4-H Week  
March 6-12 !

7-month old Tressel was in Cincinnati Children's Hospital when his parents, Emilie & Scott Meinardi, were told he would not recover from heart surgery. August 21, Tressel died from organ failure. Tressel would have turned 1 January 20, 2011.

Tressel loved to be read to. Everyone who visited him was required to read a book.

We would like to remember Tressel by donating children's books to Nationwide Children's Hospital in Columbus.

Emilie Meinardi is a former Ohio 4-Her from Hancock County.

Books are being collected at each public school in Hancock County and at the 4-H Office. All books will be donated in memory of Tressel Meinardi to area hospitals.
