

Sheep Clinic

Thursday, June 23, 2011

For beginning 4-Hers (first few years in project) taking a market lamb or sheep breeding project

Location: University of Findlay Animal Science Building
(same location as livestock judging contest)

Starting Time: Noon* (or ½ hour after livestock judging contest ends)

Ending Time: Approximately 1:30 pm (1.5 hour estimated length)

Stations set up with hands-on activities may include showing techniques such as setting feet, and fair preparation such as shearing and trimming hooves.

Those attending from livestock judging contest should bring a sack lunch with your name on it—cold bottled drink will be provided.
