4-H Buddies Grow Here!

Giving youth with special needs the opportunity to achieve success.

- Every Buddy is paired with an experienced Mentor who will help guide them through completion of the project.
- Each Buddy does not have to join a 4-H club, but can if they would like.
- If a Buddy would like to participate without a Mentor, they must enroll in a 4-H club.
- Every Buddy can complete most 4-H projects, both livestock and non-livestock.
- Each Buddy and Mentor will meet a minimum of three times before completion of the project. Parents/Guardians may need to assist in completion of project.
- Project books will be provided for each Buddy.
- Each Buddy needs to fill out their “Wish List” and the Winning 4-H Plan form.
- Each Mentor needs to complete a training class and have at least one year experience with the project they are assisting.
