# VIRTUAL OHIO YOUTH SKILLATHONS

To support the continued learning experiences of youth livestock and companion animal exhibitors throughout Ohio, Ohio State University Extension and the Department of Animal Sciences are pleased to once again offer virtual Skillathons in 2021! Our 4-H Animal Sciences team will conduct online Ohio Youth Skillathons (in addition to in-person Skillathons at the Ohio State Fair) with the chance to compete for the highest score. These Skillathons will encompass the similar educational materials, by species, that would typically be evaluated at the Ohio State Fair. Please save the date(s) for the species you would like to participate in. And keep an eye out for a registration announcement next week!
